WORKMANSHIP WARRANTY

J&L Marble workmanship warranty is 1 year.

Warranty includes edge built, size measurement, stone join open, undermount sink/basin glue to stone, butt join finished/shadowline finished waterfalls.

Stone cracking, chips, silicon, mitred waterfalls open.. etc are not included in the warranty.

Please check with suppliers for manufactural warranty before selection. We won't be responsible for possible crack of the material or chips in stone after installation.

slab thickness, color incontinuity, same batch slabs color difference, surface polishing issue, faulty spot in the bench, easily scratched surface ---please contact stone original producer/importer if they warranty for those

We will do our due diligence check before fabrication but we cannot guaranty the stone quality as it is client own choice and not always under our control.
